-A 30 mile restriction has been put into place. Please give Mike H. your locations of tournaments so that he can get them approved. The sooner the better.

### **Background Checks:**

-There is a new link to use. If your badge expired before July you need to do a check ASAP. If it expired after July you are grandfathered in until the end of the year.

-USSSA is requiring a background check for each head coach.

### **Uniforms:**

-Drea and Mike shared that uniform fees are no longer a part of the registration fee paid

-We are using the same uniforms year round, not doing a special uniform for the fall (more cost effective)

-There will be a team store for parents to order the items needed

- the store will list what each coach is requiring for the players

- parents can choose not to order new items if what they have still fits, they can choose to order more of an item if they want

- There will not be fittings as sizing charts will be on the link and parents will need to measure their player and order accordingly

- items being sent directly to player

-There are still spare jerseys and some pants that can be used by the rec players or they can choose to order from the team store. See Drea for this

-Uniforms need to be ordered by Wed. 9/26 so that we can have them in by third week in September

-All coaches are to send Drea their roster with players numbers as soon as possible.

### **CPR:**

-The CPR instructor that we had used in previous years passed away. We will need to find a new instructor:

- JJ Lynott is now an instructor maybe he would be able to help us

- As you update your certification please get them to Frank W.

### **For the Good of the group:**

-Hot Shots is two words and we need to be consistent with registering us as the Hot Shots

-We will not be having a mandatory parent meeting. Instead the presentation will be emailed to each coach and parent. They will need to review the presentation with their player and then sign off on the sheet. There will be a link on the last slide for them to click on and then sign the sheet. This must be completed prior to the first game/tournament of the fall season or they will not be able to play. Drea will keep track of this.

-Adult team information should go to Carlos
